2015 REBEL STATE ARCHAEOLOGICAL SOCIETY BUSINESS MEETING

The annual business meeting was held immediately following the Rogersville Indian Artifact show. New Officers were elected for 2016 and they are listed on the previous page. No changes were made to the bylaws. Show dates were discussed and the only show date that is firm is the Chatom Show on Feb. 28th. We still plan on having shows in Huntsville, Prattville and Rogersville in 2016 but we do not have firm dates at this time.

A motion was brought forward and passed for the editor to research and purchase a suitable/cost effective printer for the production of the newsletters and show fliers.

NOTICE

If you have questions or concerns please contact one of the RSAS Officers. For 2016, I (Rick Weems) will be serving RSAS as the editor only. After December 2015 Mr. Charles Ray will be the new Secretary/Treasurer responsible for collecting dues and taking care of the journals for the Alabama Society. I am in the process of turning these duties over to him. Charles is a very capable and motivated person who will bring new ideas for the betterment of our society.

DUES NOTICE

It's that time of the year again. Time to get those dues in. Dues will remain at \$24.00 per year, with contributing membership at \$27.00 or more per year. Central States receives \$17.00 out of the dues you send in for the production of the quarterly CSAS Journal. This is pretty inexpensive for the quality of the journal we receive.

Please, Please, Please get your dues in by December 1st. This makes getting your journal on time some much easier and cheaper.

Also, I would like to thank the members who are contributing members. The extra money you send goes a long way in helping the society.

I would also like to thank the members who have been with us for many years. Some have been with us for over 30 years. Your continued membership is what keeps this society going. **Thanks you so very much.**
