JUNE 2018
VOLUME 7,
NUMBER 2

RSAS LIFETIME ACHIEVEMENT AWARD

The Officers of RSAS proudly presented a RSAS Lifetime Achievement Award to Mr. Doug Puckett. Doug was essential in the formation of the RSAS in 1980 and has continued to support the society every year since then. In addition to putting together one of the finest artifact collections in Alabama, he is also the author of several books including the *Coldwater Indian Artifacts Price Guide* and *A Field Guide To Point Types Of The Tennessee River Basin Region*.

Congratulations Doug for the well deserved recognition.

MY FIRST ARROWHEAD

This little Benton is the one that started my artifact addiction 59 years ago.

A THANKYOU NOTE FROM MRS. BETTY LOWERY

A display of cherished gifts that have been presented to Mrs. Lowery from Troy Futral.

Many thanks to Bimbo for all the good shows, I have been with him since the first one and enjoyed all.

I have made lots of arrowhead friends; like Mr Sellers and his grand kids, Tootsie and especially Tray-troy Futral who has so generously added to our collection. He has an amazing talent and handcrafted work.

Thank you Troy for the Buffalo Nickels.
